## WATERLINE SAFETY

### UNDERSTANDING THE PATH TO SAFE DENTAL UNIT WATERLINES

**PRESENTED BY**

**AMANDA HILL, BSDH, RDH**

Amanda describes her career in dental hygiene as an adventure. Growing up and marrying into the military she's had the opportunity to experience life and dentistry all over the world. She is a speaker, consultant, and award-winning author. The 2022 recipient of the OSAP Emerging Infection Control Leader, she is known as the Waterline Warrior. A member of the advisory board for RDH magazine, Dentistry IQ, and OSAP's Infection Control In Practice Editorial Review Board and membership committee, Amanda strives to make topics in dentistry accurate, accessible, and fun! She can be reached at [www.amandahillrdh.com](http://www.amandahillrdh.com) and [AmandaHillRDH@gmail.com](mailto:AmandaHillRDH@gmail.com).

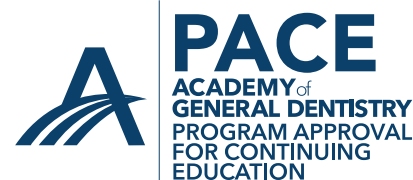

**\$100**

**AND** \_\_\_\_\_

**SEAN KURDYS, former lead investigator  
for the North Carolina Board of Dental Examiners**

Sean is former chief investigator for the NC Board of Dental Examiners. Experienced for several decades, he has deep understanding of regulatory processes and administrative culture of licensing boards. His insights prove valuable to understanding how investigations into infection control breaches are triggered, their impact, along with the potential range of options for disciplinary actions.
